Isaiah 33:2-35:10 – A Whole New World

Today we come to the last sermon in our series on the first half of the book of the prophet Isaiah. And in a striking way the book of Isaiah reflects the entire structure of the whole Bible. The first 39 books of the Bible, the Old Testament, tells us the story of the struggle between God's people, and God's plans and purposes for them in the world (just like we have seen in the first 39 chapters of Isaiah). While the last 27 books of the Bible, the New Testament (like the last 27 chapters of Isaiah), show us the comfort that God brings to the entire world through his suffering servant King Jesus (which you get a glimpse of in Isaiah 40:1-11). The last 3 chapters that we will look at in Isaiah provide a perfect transition between the Old and the New. Chapter 34, the final judgement proclaimed on all the nations, and chapter 35, the ransomed returned to Zion with victory songs.

GOSPEL PARTNERSHIP: BCA

This week David and Leone have had the opportunity to drop in on Kurt and Bec Langmead who serve as BCA Field Staff in Lightning Ridge. The Langmeads have been sharing the gospel of Jesus in Lightning Ridge for the last 5 years, and this week it was announced that they will be receiving a Ministry Trainee in January 2026 to work along side them. Samuel & Grace Ogg, with their two young children, will be heading to the Ridge once they complete theological studies at Moore College. This will be a wonderful experience for them, and a great help to the Langmeads. Please pray for the continued growth of BCA's ministry in a very isolated and challenging area.
